7. Calendar Governance & Important Rules

- Management may revise dates because of HBSE / CBSE notifications, government orders, extreme weather or unavoidable circumstances.
- All teachers must distribute the syllabus plan, assessment dates and project instructions to students in writing.
- Exam date sheets should normally be shared with parents at least 7–10 days in advance, subject to emergency changes.
- Official holiday notices must be checked before sharing; festival dates may change due to moon sighting or revised government notification.
- Board examinations and practicals for Classes X and XII will follow the respective board's final schedule, not the proposed internal dates in this planner.
- All event coordinators should submit a short activity report, photographs where appropriate, attendance and learning outcome to the Academic Head.
